which generally does not conflict with intelligence information already developed by the Chicago Division. This does not imply however, that all of [redacted] information has been meticulously checked and verified.

It will undoubtedly be recognized that much of the information, particularly the organization of organized crime in Chicago, is of a nature that could be common knowledge on the part of individuals associating with the criminal element in Chicago. The Chicago Division is constantly alert to this fact in the development of potential informants and is also aware of the fact that captioned informant [redacted] has identified many members of the "family" in Chicago's organized crime, and speaks of their method of being taken into the "family" or "made." The informant also speaks of terminology in his discussion of the "family" which precludes the use of the term "Cosa Nostra" substituting for it terms such as "The Life," "In the Life," "Outfit," "The People," "Camora" (phonetic), "Siciliano" and "Mafia."

Verification and analysis of the informant's information, particularly with reference to members of the "family" is difficult to obtain. The acceptance of the informant's information in this area would largely depend upon the overall acceptance of the informant as totally reliable. At this juncture in the informant's development this statement is not being made. Every effort in the near future is directed toward establishing this reliability or proving the informant unreliable.

At the moment the informant has been told to stay away from his old established criminal associates, many of whom, are directly connected with the "family" in Chicago [redacted] This of course makes verification of the informant difficult and precludes giving him specific assignments in the Chicago area which could be checked for reliability.

b7D

However, another avenue is open in this regard. In the summary and conclusions section of this communication it will be recommended that the informant [redacted] to re-establish his contact with an old "family member" out of the [redacted] This individual reportedly has many contacts in organized crime throughout the country, particularly in [redacted] It is felt that the informant could be covered and his information analyzed as developed in this area.

The above suggestion is being submitted early in this communication so the Bureau can be aware of this plan to check the informant's reliability as the Bureau proceeds through the information furnished by this informant.

The informant is an individual [redacted] originally from [redacted] who came to Chicago in the late [redacted] A significant factor in the background of this informant is that although he bears a completely [redacted] which would imply that he is of [redacted] he is, by his own admission, [redacted] It is to be noted however, that inspite of [redacted] of this individual, his appearance is that of [redacted] This individual is familiar [redacted] and is accepted by them as [redacted] Criminal associates of the informant also accept him as [redacted] due to his name and his physical appearance. No one has ever questioned his ethnic background as being anything other than [redacted] The informant has always [redacted] to give the [redacted] that he is [redacted] realizing that should his true ethnic background be discovered his association with [redacted] members of organized crime would diminish appreciably.

When the informant came to Chicago he became acquainted with one DOC RONGO, who was FRANK NITTI's father-in-law. As a result of his association with DOC RONGO he befriended [redacted] individual [redacted] The informant has advised that he met DOC RONGO and FRANK NITTI through his association with TONY LOMBARDO, alleged head of Chicago's organized crime prior to the CAPONE era. Through these early associations the informant became friendly with many of NITTI's and LOMBARDO's associates as well as many of the members in the old AL CAPONE mob.

The informant is accepted at parties, business meetings, and other social occasions where TONY ACCARDO, PAUL "THE WAITER" RICCA, and their criminal associates attend.

He advised that since BIAGE lived in Houston, Texas, he is extremely close to CARLOS MARCELLO of New Orleans and JOE CIVELLO of Dallas, Texas. The informant [redacted] BIAGE frequently [redacted] of this individual.

MOTIVE FOR COOPERATION WITH THE FBI

The informant's motive for cooperation with Federal authorities is two-fold. In the first instance the informant realizes [redacted] with reference to [redacted] In the first case, the one in [redacted] he was originally [redacted] However, [redacted] and [redacted] Chicago, Illinois. It is to be noted that absolutely no promises have been made to this informant, however, the interviewing Agents are capitalizing on what is in the informant's mind regarding some [redacted] without committing anyone to such action. The informant has expressed a secondary motive, that being, that he has seen organized crime grow to the point where it is vicious, powerful and a threat to the United States Government, and feels he is in a position to contribute information which might help the Government in it's fight against organized crime.

It is the belief of the interviewing Agents that the first motive on the part of the informant is undoubtedly the strongest. It is difficult to believe that an individual such as [redacted] who has lived a life as he has, could turn informant for purely altruistic reasons, however, he did make the above statement and it is therefore being reported.

HISTORICAL DEVELOPMENT OF ORGANIZED CRIME PICTURE IN CHICAGO DIVISION

The informant advised that prior to TONY LOMBARDO and AL CAPONE's arrival in Chicago the Unione Siciliano was "boss" of organized crime in the Chicago area. He advised that Unione Siciliano is synonymous with the term "Mafia." He advised that individuals associated with this faction were strictly Italian Sicilians, who specialized in extortion, prostitution and narcotics. The old members of Unione Siciliano were referred to as "mustachios."

He advised that (FNU) MERRELLO headed the Unione Siciliano prior to LOMBARDO and CAPONE's arrival on the scene. He advised that MERRELLO died about 1930 in Chicago. The informant advised that [redacted] in Chicago and [redacted] Chicago. Although [redacted] dictated to organized crime, [redacted] has never been known to be connected with subsequent criminal organizations. MERRELLO prospered on alcohol during the early prohibition days and controlled all of the action regarding the old "black hand letters." b6 b7C b7D

After MERRELLO died TONY LOMBARDO was brought from New York City to take over MERRELLO's place. The reason for this move was that the two GENNA brothers, SAM GENNA and (FNU) GENNA were trying to take over the Unione Siciliano. A deep cleavage existed in Chicago between the GENNA brothers and the Italians who controlled the north side of Chicago.

The informant advised that TONY LOMBARDO was sent by the "old man" out of New York City who got orders directly from Italy to make peace in Chicago. TONY LOMBARDO was sent to accomplish this purpose and allied himself with JOHNNY TORRIO.

The informant advised that this selection brought about the beginning of the end for the Unione Siciliano as TONY LOMBARDO was a "Camora" man. A "Camora" man being an Italian from the north of Italy and not from Sicily.

b7D

He stated that the "Camora" as opposed to "Mafia" was originally an organization set up in Italy to protect the land owners and nobility, whereas the "Mafia" was set up originally to protect the people or peasants in a section which included the area south of Naples and including Sicily. Both the "Camora" and "Mafia" existed separately until about this time when they joined forces. However, "Camora" individuals handled only other criminal phases not under the control of the "Mafia." The "Mafia" traditionally handled prostitution and narcotics and although forces were joined, the Sicilians or "Mafia" members continued with these specialities.

Eventually TONY LOMBARDO was killed by three men from New York City, one of whom was FRANK YALE. YALE was brought to Chicago for this murder by the north side faction who wanted greater representation in the new Chicago "outfit." The informant advised that YALE was subsequently killed on the Brooklyn Bridge in New York City and his two henchmen also silenced. He advised that [redacted] and [redacted] (phonetic) [redacted]

After LOMBARDO was killed the UnioneSiciliano lost all of its remaining power, LOMBARDO being its last powerful leader.

At the same time JOHNNY TORRIO was shot in Chicago, however, was not killed. According to the informant he had plenty of money and wanted to get out of organized crime.

AL CAPONE was already on the Chicago scene, having been imported by TORRIO and JIM "BIG JIM" COLISIMO; also on the Chicago scene were several other New York imports and members of the old "Five Corner Mob" from New York City, namely TONY "MOPS" FOLTI (phonetic) and LOUIE "LITTLE NEW YORK" CAMPAGNA.

THE AL CAPONE ERA

AL CAPONE gained complete control of organized crime in the Chicago Division after JOHNNIE TORRIO relinquished his position of prominence. Informant advised that AL CAPONE was not a Sicilian but was a "Camora man". Informant advised that with CAPONE's ascending to power the Unione Siciliano, although still in existence, was virtually powerless and with it the words Mafia and Siciliano lost their significance and organized crime became known as "The Life". He advised that with CAPONE "The Life" was still composed entirely of Italian people, however, no longer was it needed to be of Sicilian extraction to rise to power.

The informant advised that from this time forward the following names were associated with the organized crime picture in Chicago: "The Life", "The Family", "The People", and "One of Our Own". He advised that he had never heard the term Cosa Nostra referred to in the Chicago area. He advised that "The Family" or "The Life" consisted of one entity or family centering around AL CAPONE in this era.

The informant advised that membership in "The Life" is always accompanied by initiation. This initiation always takes place at a banquet which is privately held.

He advised that an individual that is to be "made" is actually sponsored by one or more friends who are already in "The Life". The candidate has usually been brought to the attention of his sponsors through successful criminal activity, usually while working for one of the sponsors.

About a month before an individual is to be "made" he is told where and what time the sponsor and the sponsor's associates will pick him up. b6 b7C b7D

The informant cited a recent situation [redacted]

[redacted]

These individuals come before any other matters. He advised that the idea of all for one and one for all is firmly implanted in the mind of the candidate.

The new candidate thereafter takes direct orders from his sponsor and his sponsor's partners who were in "The Life". Any grievance the new candidate may have at a later time can be brought to the attention of his sponsor who can carry it further if it cannot be settled by the sponsor and his group. By carrying it further, the informant says that it can be brought to the attention of the "members of the committee" who head "The Family".

As an example, should [redacted] FERRIOLA, as mentioned above, have a problem or a grievance that cannot be handled by BUCCIERI, BUCCIERI will speak for them to the members of the committee. b6 b7C b7D

He advised that the committee is composed of five or six men members with one member being in control. He advised that this committee has the overall jurisdiction of all bosses and lieutenants down the line.

He advised that with reference to the committee there is also a group of top advisors who are generally individuals who are not Italian but who are consistent producers for the Italian element. Many of these individuals are revered by the Italian element because of their specific specialties such as gambling, numbers, financial matters, etc. He advised that these top associates are strong people who carry a considerable amount of weight and influence although they are not in "The Family" or "The Life" and never can attain this position because of the fact that they are not Italian. Their counsel is sought and in many instances although they cannot issue orders their will is accepted by the Italian element and their programs placed into effect. He advised they in many instances are as powerful or more powerful than the bosses or Lieutenants who report to the committee. (The current committee setup will be discussed further later on in this communication).

PERIOD FROM CAPONE TO GIANCANA

Informant advised that after CAPONE's death FRANK NITTI took over as leader of "The Family" with LOUIE "Little New York" CAMPAGNA as his chief Lieutenant.

Informant stated that FRANK NITTI [redacted] DOC RONGO, named [redacted] He said that NITTI [redacted]

b7D

FRANK CHESROW of this family is presently the President of the Chicago Sanitary District. FRANK NITTI later [redacted] name not recalled, who was then [redacted] WILLIAM JOHNSTON who now [redacted], Illinois. b6 b7C b7D

NITTI subsequently committed suicide and the informant states that [redacted] Doc RONGO that NITTI had cancer and knew it. The informant stated that Doc RONGO, during his period of acquaintance with him, lived on Cabrini Street in Chicago. The informant stated that he was very friendly with FRANK NITTI and described him as the enforcer, second in command under CAPONE and also described him as the collector. In this connection he stated that NITTI took care of the New York end of the funds being split at that time by Chicago and New York. He further described NITTI as a "go between" with the New York and Chicago outfits.

After FRANK NITTI's suicide, LOUIE "Little New York" CAMPAGNA took over for several months. He advised that this is contrary to common belief. Most people felt that PAUL "The Waiter" RICCA followed NITTI as head of "The Family". However, RONGO and others during that period advised the informant that actually CAMPAGNA had taken over. CAMPAGNA's reign, however, lasted only a few months when CAMPAGNA died. With CAMPAGNA out of the picture PAUL "The Waiter" RICCA assumed position of "head of the Family". He advised that PAUL "The Waiter" RICCA remained in control until his federal deportation proceedings at which time TONY ACCARDO became head of "The Family", remaining until he too got into trouble with the Federal Government in income tax matters, and cleared the way for SAMUEL MOE GIANCANA to assume the position of head of "The Family" which he now holds. He advised that although ACCARDO and RICCA no longer head "The Family" their influence is tremendous and they are part of the committee.

SAMUEL MOE GIANCANA AND THE COMMITTEE

The informant advised that at the time that ACCARDO stepped down from his position of leadership, SAMUEL MOE GIANCANA and SAM (TEETS) BATTAGLIA were considered to replace ACCARDO. He advised that most of the members in "The Life" felt that BATTAGLIA was actually stronger at that time and were amazed that GIANCANA was chosen. While GIANCANA is boisterous, BATTAGLIA is quiet and ruthless and for this reason most of the members in "The Life" felt that BATTAGLIA would be chosen.

b7D

The informant advised that the committee set up presently consisted of five members. The committee is headed by SAMUEL MOE GIANCANA and his associates, JACK CERONE, FIFI BUCCIERI, SAM (TEETS) BATTAGLIA and ANTHONY ACCARDO. He advised that all of the aforementioned individuals are Italian and, of course, in "The Life".

The informant advised that acting in an advisory capacity to the committee is PAUL "The Waiter" RICCA who never quite regained his position of authority due to his pending deportation.

Also acting in an advisory capacity is MURRAY "The Camel" HUMPHREYS who represents the non-Italian top associates of "The Family". He advised these non-Italian associates of stature are RALPH PIERCE, GUS ALEX, LESLIE KRUSE and LEONARD PATRICK and EDDIE VOGEL.

Also acting as an advisor to the committee is BUSTER WORTMAN who advisses on all matters pertaining to the criminal activity in East St. Louis, Illinois and Henderson, Kentucky.

The informant advised that ROSS PRIO is an exceptionally influential individual in "The Family". The informant advised he has heard from various sources that he is also on the committee. However, he has also heard information to contradict PRIO's presence on the committee and therefore advised he is not sure of PRIO's actual position of leadership in "The Family" other than he is an extremely powerful individual. He advised that the committee at present is heavily weighted with Siciliano members advising that with the exception of FIFI BUCCIERI and PAUL RICCA who are Camora, the rest are Sicilian.

Informant advised that SAMUEL MOE GIANCANA was "made" before his being sent to the penitentiary. He advised he was one of AL CAPONE's associates and by the time GIANCANA got out of the "42 Gang" he was "made" or brought into the outfit. He advised further that MARSHALL CAIFANO and SAM (TEETS) BATTAGLIA, who also were members of the "42 Gang", were "made" years ago, shortly after GIANCANA was brought into "the life".

Informant advised that FIFI BUCCIERI years ago worked for MARSHALL CAIFANO's brother. He advised that CAIFANO's brother was eventually ki led but not before he sponsored FIFI BUCCIERI. He advised that FIFI BUCCIERI ultimately became extremely close to MOE GIANCANA and actually was a partner in many of MOE GIANCANA's ventures. He advised that TONY ACCARDO and SAM (TEETS) BATTAGLIA

b7D

were both "made" in the days of AL CAPONE.

He advised with reference to JACK CERONE that CERONE was "made" in the early 1940's and was given a district on Crawford Avenue with an office on Crawford Avenue near Washington in a saloon. He advised that in this period JACK CERONE and JOE "JOE GAGS" GAGLIANO, were extremely close associates. Informant advised that CERONE was actually sponsored by TONY ACCARDO and PAUL RICCA.

With reference to the non-Italian associates, the informant advised that MURRAY HUMPHREYS is the spokesman for these individuals. Many of them are concerned with gambling, union matters and legal matters. These individuals are chosen and gain positions of prominence by virtue of their political connection as well as for proving themselves in an acceptional manner in "outside" business.

Although these individuals become bosses, they can never be sworn into "The Life".

Informant advised that these top associates are generally called to attend the banquet where new members are taken into "The Life", however, the top associates are called in several hours after the candidates are made and are not present during the ceremony.

The informant estimates that there are approximately 150 Italians in "The Life" in Chicago whereas there are thousands in New York City. He advised that New York City uses "button men" and the soldier system, which includes many more members plus the fact that there is more than one family in New York each with their "button men and individual soldier system". The word Caporegime, the informant explained, is used interchangeably with Don. He advised that this term is seldom used in the Chicago area and if used refers to a head of a section of a town or an overseer. The informant advised that the term "button men" is used only in New York City and is not a common term in Chicago. He advised the term "soldiers" is not common to Chicago but if it were it would refer to the individuals who would work directly beneath the Don or Capo who boss a district. He advised the term mustachios refers to old-time Sicilians who were generally kill crazy and handled every problem with a killing. He advised not only is this term dying out but also the individuals to which it applied. He advised today "The Family" members are more suave and have abandoned the old fashioned ideas.

The informant advised that this area is controled by FRANK LA PORTE who was taken into "The Life" many years ago and who reports directly to SAMUEL MOE GIANCANA.

Joliet

JOE "BLACK JOE", "NIGGER JOE", AMATO and WILLIE "POTATOES" DADDANO are about on an equal par in the Joliet area. He advised that WILLIE POTATOES and AMATO were taken into "The Life" years ago. He advised that WILLIE POTATOES DADDANO has influence in other areas of Chicago and its suburbs while AMATO sphere of influence is strictly in Joliet and Lake County. He advised that DADDANO, formerly the chauffeur for JAKE GUZIK, is a powerful individual and closely associated with SAM GIANCANA.

The informant advised that the Joliet picture could not be complete without mentioning of FRANCIS CURRY who, although not in "The Life", is a powerful political figure who protects the outfit's interest in that area and strong enough to speak directly with SAM GIANCANA.

Lake County

Informant stated that BLACK JOE AMATO and JIM DE GEORGE operated Lake County interests for organized crime. He stated that EDDIE VOGEL has the slot machines in the Lake County area and that LESLIE KRUSE handles the gambling operations there. Informant advised that JOE CRACKERS MENDINO, prior to his death, was in charge of Lake County.

Informant stated that the political contact and man of influence for organized crime is alleged to be the Sheriff of Lake County, Illinois.

East St. Louis, Illinois

In connection with East St. Louis, the informant stated that "outfit" interests are maintained through a strictly political setup which is in the hands of BUSTER WORTMAN who is an associate of the committee members. WORTMAN is not in "The Life" but is allowed to operate as long as tribute is paid to GIANCANA and the other committee members.

Davenport, Iowa

Informant stated that this area is under the control of the brother of FRANKIE "one ear" FRATTO. Informant stated that FRATTO's brother was never "made", however, he has run this section for Chicago's interests since the time that MICKEY COHEN went to California from this area.

DuPage County

Informant stated that DuPage County is under the control of an attorney who is an associate of the committee and that his reason for power there is his political connections. The informant could not recall the name of the attorney but stated he is presently associated with [redacted] who has received large sums of "outfit" money [redacted] area. According to the informant, [redacted] has not "been made".

Melrose Park

Informant advised SAM (TEETS) BATTAGLIA and MARSHALL CAIFANO, both in "The Life" rule the Melrose Park area. TEETS BATTAGLIA being supreme in this area. He advised that JACK CERONE formerly had tremendous influence in the Melrose Park area, however, several years ago sold out his end to SAM TEETS BATTAGLIA. He advised actually that CERONE received a piece of policy on the west side of Chicago for his interest in the Melrose Park area. He advised that ROCCO DE GRAZIA has also sold his gambling interests to SAM TEETS BATTAGLIA. He advised that ALBERT OBBIE FRABOTTA and FELIX (Milwaukee Phil) ALDERISIO also have a small piece of the action in the Melrose Park area. He advised that when these two individuals were taken into "The Life" about 1956 room was made for them in the Melrose Park area and they made a percentage of the action in that area. He advised that in the Melrose Park area, however, Milwaukee PHIL ALDERISIO and ALBERT OBBIE FRABOTTA are under BATTAGLIA and CAIFANO.

Informant advised that in 1956, numerous individuals were taken into "The Life" and old districts were broken up in order to make room for these new individuals. He advised this resulted in some of the newer members getting a small piece of the profits in numerous areas as is the case with FRABOTTA and ALDERISIO in the Melrose Park situation. He advised that ROCCO DE GRAZIA, an old time member of "The Life" is now retired and has little to say in the Melrose Park area, however, he maintains a slight piece of the action in that area.

Kankakee, Illinois

Informant advised that WILLIAM "POTATOES" DADDANO is the top man in this area with two assistants who are from the Cicero area who were "made" several years ago but whose identity the informant did not know.

Cicero, Illinois

Informant advised that WILLIE "POTATOES" DADDANO is the top man in the Cicero area with JOSEPH O'BRIEN AIUPPA almost on the same level as DADDANO with the edge going to DADDANO. By way of background informant explained that when CASTRO took over Cuba there was an arrangement with members of organized crime to leave their hotels alone so that gambling could be conducted by American criminal interests. ANASTASIA had a part of this gambling interest and the word spread among members of organized crime that PAISANO had gotten rid of ANASTASIA so that he could absorb ANASTASIA's interest in the Cuban gambling. The gambling interests in Cuba were greatly saddened when CASTRO confiscated all of the American money which had been given to him by these interests. PAISANO thereafter got the blame for the Cuban gambling deal being a "flop." PAISANO who also was engaged in the narcotics rackets according to the informant, sent an emissary to see VITO GENOVESE and was able to obtain GENOVESE's backing, however, when the matter was put to a vote with the members of organized crime PAISANO was voted down. Some time thereafter PAISANO and a show girl acquaintance, who was with him at the time were killed in gangland style in a New York restaurant.

Informant stated that GIANCANA and TONY ACCARDO who attended the meeting at Apalachin were able to make a getaway when the State Police of New York interrupted the meeting.

Informant advised that the narcotics trade in New York City was carried on for many years by individuals of Jewish extraction and that although "outfit" money was invested members of organized crime were not actually engaged in this illicit operation. He stated that the "Mafia" took over control at the time that the top individual of Jewish extraction in New York was killed in a poker game. This was approximately 30 years ago. He stated that the "Mafia's" interest in narcotics which they receive from European countries is only in the large wholesale end of it and that for instance in Chicago the sale in other than large quantities is predominatly carried out in the Negro areas of Chicago.

Fight for Control Within Chicago Outfit About 1954-1955

Informant advised that in 1954-1955 a situation evolved in Chicago among the leaders of organized crime. "The Don" or the "old man" who resided on West Grand Avenue east of Noble Street and who owned a grocery store on the south side of Grand Avenue decided that he wanted to obtain control of organized crime in the Chicago area. "The Don" was displeased with the operation of the "outfit" under ANTHONY ACCARDO and decided to have ACCARDO killed.

NICK DE JOHN one of "The Don" men was then residing in San Francisco. "The Don" ordered DE JOHN to return to Chicago and with the aid of some individuals from Chicago Heights and Kansas City they were to kill ACCARDO. Another individual who was one of "The Don's" associates was ROSS PRIO. In addition (FNU) NEGLIA was associated with "The Don". NICK DE JOHN would not return to Chicago to carry out "The Don's" orders and was killed in San Francisco by orders of "The Don". NEGLIA during the course of the struggle was killed in a barber chair through the orders of "The Don".

CG [redacted]

ACCARDO and his associates learned of the revolt against their regime and a series of approximately 12 killings in a short period ensued. These killings aborted the overthrow movement of "The Don" and his associates and "The Don" himself was thereafter killed. "The Don" according to the informant controlled many legitimate businesses but the only one that he could recall was a cheese business in upper Wisconsin.

Among the associates of "The Don" at that time were JOE CAESAR DEVARCO, DOMINIC DI BELLA, DOMINIC NUCCIO and DOMINIC BRANCATO. Others were ANTHONY PINELLI and JIM DE GEORGE. The informant has been unable to recall the name of "The Don" to date.

LESLIE KRUSE:

Informant advised that LESLIE KRUSE is directly responsible to MURRAY HUMPHREYS and is under such individuals as GUS ALEX and RALPH PIERCE. KRUSE according to the informant, is in charge of gambling operations in the Chicago area under HUMPHREYS.

Informant indicated that all of the information he is able to obtain in connection with [redacted] indicates that he is broke and not a person of any repute in the Chicago area. b6 b7C b7D

Attempts to Verify Informant's Information

As has been pointed out earlier Chicago Division recognizes that much of the information furnished by this informant is historical in nature and could be available to the informant from general conversations inasmuch as he has been involved with the criminal element in Chicago [redacted] and not necessarily from direct contact. b7D

From an overall standpoint with reference to the general information particularly the spheres of influence of various hoodlums discussed in this communication the informant's information is accurate. The people generally fit into the places in organized crime which are known to the Chicago Division from prior intelligence information.

It is interesting to note that according to information received from the Houston Division on November 19, 1963, as a result of an inquiry from the Chicago Division information was developed that BIAGGIO ANGELICA resided at the address in Houston which the informant said he did and for the most part information furnished by the informant was accurate regarding this individual.

Houston Division advised that ANGELICA had been subject to investigation in that division for a number of years. Investigation developed that ANGELICA was formerly associated in Maceo Gambling Empire, Galveston, Texas, before its termination. He was also sentenced to 10 years in Leavenworth for a narcotics violation at Galveston, Texas,

CG [redacted] b7D

and conditionally released to Houston, January 31, 1945. Informants report that ANGELICA is an acquaintance of JOSEPH FRANCIS CIVELLO of Dallas, Texas, and CARLOS MARCELLO of New Orleans. On August 12, 1930, ANGELICA was held for investigation at Hamtramck, Michigan, in connection with shooting of a police officer at Cross Point, Michigan, and released. In 1949 he was suspected of killing a Houston gambler named VINCENT VALLONE, Sr., but was absolved of having part in this murder. In [redacted] extremely confidential information indicated [redacted] b7D investigation at Galveston to determine if ANGELICA in [redacted] formerly possessed by LUCKY LUCIANO. In December, 1958, ANGELICA was charged with arson in connection with burning of a clinic at High Island, Texas, and on October 22, 1963, after trial at Galveston, Texas, was sentenced to serve two years in a Texas penitentiary. He is presently free on appeal bond.

Conclusion

It is recognized that the reliability of this informant must be established at the earliest possible date to lend credence to the information he has already furnished and the information he will furnish in the future. The fact that [redacted] individuals in organized crime in Chicago. It is an established fact that highly placed hoodlums in the Chicago Division specifically have given instructions to all their associates that they want nothing to do with any individual [redacted] as it would simply draw too much "government heat" on their other activities.

This, of course, presents a problem to the Chicago Division inasmuch as direct assignments [redacted] and another means of checking and verifying the informant's information must be devised.

One of these recommendations is to closely follow the information he has supplied with reference to [redacted] in Chicago, and the [redacted] Both these cases are being given attention by the Agents handling the informant.

Recommendation

Due to the facts as presented above it is therefore recommended by the Chicago Division that the Bureau give consideration to a plan whereby this informant would Discreet surveillance of the informant's activity and immediate interview by the agents handling this informant would certainly verify his potential particularly when the information he furnished could be checked against known intelligence material of b7D

There is a corollary benefit in that besides establishing the reliability of this informant much information could be learned from BIAGGIO ANGELICA which was heretofore unknown. This information could serve two purposes:

1. Broaden the intelligence coverage in this area in and

2. Recognizing the fact that ANGELICA is out on appeal bond and that information further developed through

According to assuming his information is reliable,

Of further benefit from the informant contacting ANGELICA is that the informant will be able through ANGELICA to re-establish many of his contacts in the areas which could conceivably be of benefit in the future handling of the informant.

b7D

The informant has every logical reason to [redacted] area inasmuch as he was [redacted] sometime ago [redacted] and in which [redacted] A trip to the [redacted] would cause no suspicion on the part of ANGELICA. It is therefore recommended by the Chicago Division that the Bureau grant authority to [redacted] in line with the plan described above.

Rebulet to Chicago November 21, 1963, wherein Chicago not granted authority to designate informant as a [redacted] Since Bureau was not in possession of the above information which indicates the excellent potential of informant and in view of the discussion between SAC JOHNSON and Assistant Director COURTNEY EVANS on November 21, 1963, concerning captioned informant, Chicago will continue with the development of informant under the [redacted] UACB.

Remyairtels 1/15/64 and 3/26/63.

Fisur by SA's [redacted] b6 b7C

[redacted] (A) at Palm Springs, California, on 1/15-17/64 determined the following:

VOGEL and ANN FENNER checked into the Spa Hotel, Palm Springs, 2:52 PM, 1/15/64; VOGEL in room 129, FENNER in room 131 (adjoining). Duration of stay at Spa Hotel for both VOGEL and FENNER is to 1/29/64. FENNER's 1963 Thunderbird, California license PTZ 475, was generally used by them during that period.

One telephone call was made from VOGEL's room on 1/15/64 to Palm Springs phone number 325-3704. The Palm Springs telephone directory lists that number to JULIUS ZIMBEROFF, 755 Camino del Sur, Palm Springs.

Later in the evening FENNER and VOGEL were observed driving from the Spa to the above address, apparently for dinner, and remained at that address the entire evening, returning to the hotel at 11:27 PM. A red, late model, Rambler station wagon bearing Illinois license 838-724 was parked in the carport of the ZIMBEROFF residence. (This auto is registered to Zimberoff)

On 1/16/64 FENNER and VOGEL remained at the hotel until approximately 2:11 PM at which time they departed and were observed shopping in downtown Palm Springs. They returned to the hotel at 4:15 PM. At 6:50 PM FENNER and VOGEL appeared at the

Spa cocktail lounge and were later joined by an unknown female, white, about 55 years of age, 5'4" or 5'5", about 150-160 pounds, greying hair, possibly JEANETTE (Mrs. JULIUS) ZIMBEROFF. At 7:40 PM the above three individuals entered the dining room of the Spa for dinner. They departed the hotel in the Rambler station wagon and drove to the "Chi Chi" Club (one of the most popular night clubs) and watched the floor show. FENNER and VOGEL returned to the hotel at 11:40 PM.

On 1/17/64 FENNER and VOGEL left the hotel about 12:15 PM and had breakfast at one of the restaurants in downtown Palm Springs. They thereafter went shopping and surveillance was discontinued.

They were not observed meeting any other individuals during that period. Spot checks will be made and your office will be advised of any pertinent activity.

It will be recalled in reairtel of 3/26/63 that during a spot check of residence of ZIMBEROFF on 3/6/63 a 1962 Ford bearing Illinois license HY 5555 was observed parked in the driveway of that residence. On 1/16/64 that license plate was observed on a 1964 Ford auto which was parked at the rear parking lot of the Spa Hotel. No occupant was observed.

The following investigation was conducted by SA [redacted] at Sherman Oaks, California: b6 b7C

Efforts to contact BURT N. FELZ, 13606 Oak Canyon Drive, telephone ST 4-0044, met with negative results on several occasions, and it was ascertained that FELZ is currently employed by Barber Ford, Ventura, California.

On 6/5/64, BURT FELZ, above address, advised that subject and ANN FENNER are unknown to him. FELZ advised that he had resided in California since 1946, and has been engaged primarily as a new and used car salesman for various agencies, as well as operating as many as five car lots of his own at various times.

FELZ advised that as far as he can recall, he did not have a 1955 Oldsmobile four-door Holiday registered to him in late 1963. He stated that by operation of the car lots several cars might be registered to his name, but that usually they would be registered in the name of the particular car lot until such time as the particular car was sold or wholesaled out to another dealer. He stated that he never had a car of the above description registered to either himself or any member of his family as a personal car.

During the pertinent period (December, 1963), FELZ advised that he recalls he had for sale a 1957 Oldsmobile hardtop, which was wholesaled to Rancho Chevrolet, and as he recalls was sold to an unknown bartender, who had been employed at PJ's in Hollywood. He further advised that the only other Oldsmobile he can recall was a 1956 Oldsmobile 98, with air conditioning, license number unrecalled, that had been wholesaled to Frank Mallard Sports Cars and was eventually sold to an individual named [redacted] (LNU) who had been employed by [redacted] Shell Service Station, Burbank and Sepulveda Boulevard, Van Nuys, California.

FELZ reiterated that subject and ANN FENNER were unknown to him by name, but stated that either or both could have possibly been a customer or potential customer of his at some time in the past, but that he cannot recall these individuals.

LA 92-250

On 6/16/64 BURT N. FELZ recontacted SA [redacted] and advised that he had checked further on the 1956 Oldsmobile bearing California license [redacted], and advised that this car was sold by him to [redacted] (LNU), who was employed by [redacted] at a service station at Burbank and Sepulveda Boulevards, telephone number ST 1-9355. b6 b7C

Further, FELZ stated that [redacted] bought this vehicle in about [redacted] and traded it about [redacted] to Frank Mallard Sports Cars, Ventura Boulevard, Sherman Oaks, California, on an MG.

On 4/10/64 PCI [redacted] was contacted by SA [redacted], and advised that VOGEL had not been seen at ANN FENNER's residence in Encino, California, during the week of [redacted] Further, informant stated that an individual who she believed to be [redacted] This has been the only male visitor at FENNER's residence. Informant stated that she would remain alert for the possibility of a visit by VOGEL. b6 b7C b7D

On 7/7/64 PCI [redacted] was contacted by SA [redacted] and was alerted concerning the recent arrival of VOGEL in this area with FENNER. Informant stated that she had not seen VOGEL and presumed that FENNER might be out of town because she has not seen her in over a week, although her blue Thunderbird automobile has been parked in the driveway.

[redacted] was asked as to whether he was acquainted with other owners of casinos in the Las Vegas area or ownership in the casinos themselves. He stated that through his association with KOLOD he had been introduced to various owners as MOE DALITZ and MORRIS KLEINMAN but had absolutely no personal knowledge of the actual ownership of the casinos and knew several of the owners on a casual basis as any other customer of the casino would know them. He admitted having been introduced to many of them but could not recall their names at this time.

Referenced letters reflect that over $10,000.00 has been deposited in checking account of ANN FENNER, the Bank of America, Encino, California, and thereafter two checks were dispersed to McKeehan Escrow Company. The first check in the amount of $1,000.00 was made payable to the Imperial Estate for deposit into Escrow Imperial Estate, McKeehan Escrow Company, "B of A - 392." The second check in the amount of $8,916.00 was made payable to McKeehan Escrow Company. Your reference further reveals that $10,000.00 was deposited to the account of ANN FENNER, consisting of a cashiers check, the same amount, from the Belmont National Bank of Chicago. It is pointed out that the subject's bank accounts are located in this bank.

It appears that FENNER, with proceeds from VOGEL, or VOGEL himself utilizing the checking account of FENNER, is purchasing or constructing some type of property in the Los Angeles area.

Los Angeles, at Los Angeles, California, will identify McKeehan Escrow Company through reputable banking persons or other logical means, and after determining the credibility of this escrow company and if information is favorable pertaining to their reliability, determine the purpose of this escrow account.

On Sunday evening, [redacted], the writer spent the evening with [redacted] at [redacted] Illinois. During the course of the evening, [redacted] was questioned concerning a rumor that the Villa Venice was about to change hands and he informed that there had been no change in the status of the Villa Venice. He stated at one time a number of weeks ago, there was a possibility that the Villa might be sold, but that the interested parties had failed to come up with the money and that, therefore, no deal was consummated. According to source, [redacted] continues to operate and manage the Villa Venice and they are apparently being kept busy with a steady supply of weddings, banquets and large groups of organizations which use these facilities. Also, during the course of the evening, [redacted] admitted he had been well acquainted with EDDIE VOGEL and JULIUS ZIMBEROFF. According to [redacted] VOGEL was a very likeable person who was an excellent host with a nice smile and one who "wouldn't hurt a fly." [redacted] was reminded of the fact that some years ago VOGEL had slugged a reporter in the lobby of the Morrison Hotel and that also in his younger days was alleged to have done a small amount of boxing. To this [redacted] seemed surprised and stated he did not feel that VOGEL would ever attempt to beat anyone. [redacted] admitted he had been up to the VOGEL apartment at 320 Oakdale approximately three years ago, and described a huge bar that he has in the apartment. [redacted] stated he could have had the assignment [redacted] but knew VOGEL would expect him to do it as a favor and, therefore, [redacted] had shied away from this assignment.
